

MT1.25

Offering a lot of possibilities

LS Tractor MT1.25 is one of the smallest tractors available on the market. If you are looking for a powerful tractor with small dimensions, this model will be perfect. It will go everywhere where traditional tractors wouldn't stand a chance. And in terms of equipment and capabilities it is in no way inferior to larger tractors. It will easily accomplish its tasks in the field, garden, orchard, plantation, transport or cleaning work. Due to its small parameters, it is called a super compact tractor.

Unrivaed mini-tractor by LS brand

The MT1.25 model is a compact tractor classified in the premium class. Under the hood of this machine is a powerful Yanmar 3TNV80F 3-cylinder diesel engine with 24.7 hp. It guarantees very good performance and high efficiency. In addition, 4 hydraulic outlets allow connecting a wide range of attachments to the tractor.

Equipping the model with a 3-point Cat I three-point linkage with a 450kg lifting capacity, as well as a rear and inter-axle PTO shaft allows the tractor to be used in a versatile way. Among its advantages are 4-wheel drive, power steering, and an easy and convenient hydrostatic transmission. All this makes the MT1.25 model the ideal machine, created to your liking.

When you choose the MT1.25 model, you are choosing not only high quality workmanship, but also comfort and safety.

LS Tractor model MT1.25 is an excellent choice for those looking for convenience and comfort when using a small tractor. This model is designed to provide maximum comfort to the operator, regardless of the type of work he is doing.

LS Tractor has equipped this exceptional machine with a comfortable adjustable seat with high backrest and cushioning. Together with ergonomically placed levers, they will ensure pleasant operation of the machine.

Also worth mentioning is the manufacturer's 5-year warranty, which is an added advantage of this brand. The long-term warranty testifies to the high quality of the product and its solid workmanship. This gives the user peace of mind and confidence that in case of any problems, the manufacturer will be responsible for repairing them.

LS Tractor tractors stand for modernity, high operator comfort and top quality workmanship.

Read about how [the LS Tractor MT1.25 will perform on your farm.](#)

Quick start

-  24,7 KM
-  120 cm / depending on the type of tires
-  4x4
-  Yes
-  655 kg (without cab), 750 kg (with cab)
-  Hydrostatic (HST)
