

Q-SADDLE

2 in 1

QUICK GRIP SPRINKLER MOUNTING BRACKET

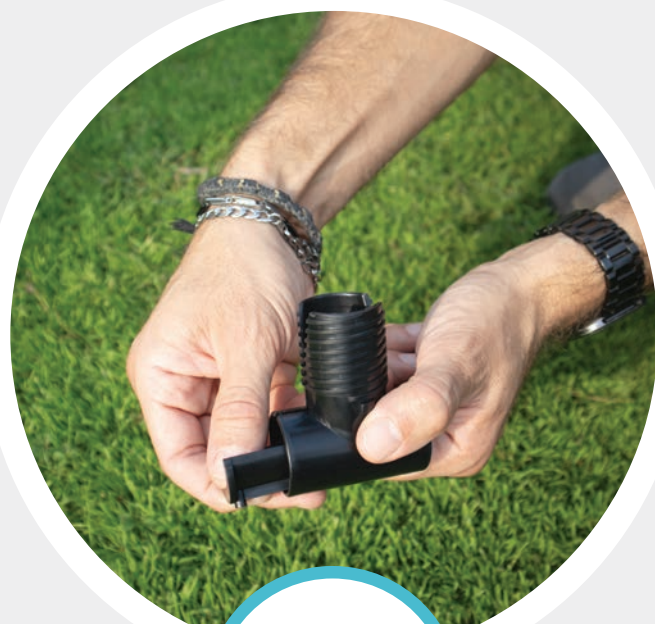

DRILL PIPE UP TO

PE PN 10

Rain's patented Quick Saddle Installation allows you to install sprinklers quickly and easily...

...on 25mm diameter pipes by inserting the diameter reduction fitting inside the Q-SADDLE...

...on removing the diameter reduction fitting you can then...

...install the Q-SADDLE ON 32 mm diameter pipes.

Q-SADDLE

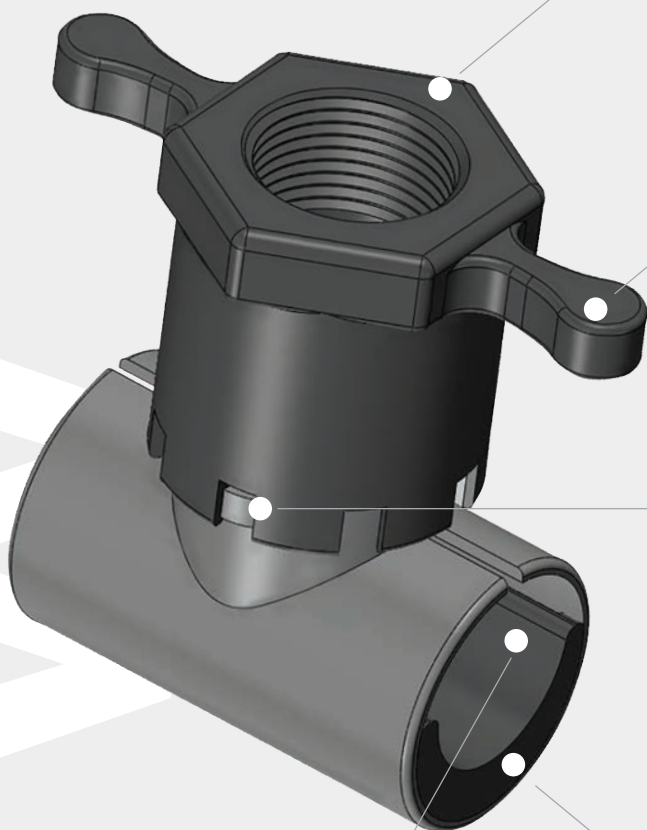

2 in 1

QUICK GRIP SPRINKLER MOUNTING BRACKET

DRILL PIPE UP TO

PE PN 10

$\frac{3}{4}$ " Female Connection

Large Grip Handles to screw down the punch

Locking System to block any unscrewing movement

The '2 in 1' Reduction Fitting allows you to change from 32mm dia. to 25mm dia. in seconds

The punch feed holes automatically align with the direction of the water on reaching the end of the screw down movement

The PA6 30%Fv Punch allows for drilling PE pipes up to PN10
