

MOTORIMPEX

HYDRAULIC CYLINDERS

serial production of standardised and customised models

Standard production range – 1-month lead time

Piston diameter, mm	Rod diameter, mm	Stroke, mm
25	16-20	up to 1500
32	16-20	
40	20-28	
50	25-35	
60	30-40	
63	30-40	
70	35-45	
80	40-55	
90	40-55	
100	40-70	
110	55-80	
120	60-90	
125	60-90	
130	70-100	
140	70-100	
150	80-120	
160	80-130	

Extended specifications – up to 2-month lead time

- rod diameter: up to **300** mm
- piston diameter: up to **450** mm
- stroke: up to **6500** mm
- working pressure: up to **70** MPa

Motorimpex hydraulic cylinders are CE certified
